SIGHTSEEING SUGGESTIONS IN TRI-CITY: GDANSK, Sopot, GDYNIA

Walking tour of Gdansk

The tour includes the very best of old Gdansk including a pleasant walk around the Old Town area. One of the most characteristic features of Gdansk is the Crane Gate, situated in the old harbour. This is a short step from the Long Market Square with its wonderful Neptune Fountain and Artus Court - the meeting hall of merchants in the times of the Hanseatic League. The walk allows you to admire the Renaissance-style burgher houses and the Main Town Hall with its carillon of 37 bells. You will also see the Green Gate, the Golden Gate, the High Gate, the Prison Tower, and possibly the most stunning Gdansk attraction and arguably the biggest redbrick church in Europe, St. Mary's Church, with its famous astronomical clock made by Hans Düringer in 1464. On the way you will also learn about Polish amber extracted from the Baltic Sea.

Sightseeing of Sopot and Gdynia

The tour gives you the opportunity to visit Sopot & Gdynia, the other two cities that belong to the Tri-City. The tour includes a visit to the famous Oliwa Cathedral, where you will enjoy a short Organ Recital. The tour continues to Gdynia, to see the harbor, Kosciuszki Square and continue to Sopot - famous Polish spa at the Baltic coast, also famous for its Longest Wooden Pier in Europe.
