

Ukraine

The largest country in Europe

The lands of the vast Ukraine extend from the Hungarian plain to the Don, from the deep peat areas of Belarus marshes to sandy steppes of Bessarabia. The largest European country, and located in its very heart, it is strikingly different from the majority of the European nations and is a real mystery for millions of tourists.

We hereby offer sample programs for Ukraine – a country between two powers, a country between East and West, a country, which attracts with its mysteries and draws in adventurers, boasts with its great cities with amazing architecture, talented people, rich and highly contradictory history. It is worthwhile to fill the large white spot on the map of Europe with a color – that of Ukraine.
